FILE: Training-6

Dear Mr. Weller:

Reference is made to Mr. McKenzie's request of 30 January 1981 for four Special Agents to attend the defensive driving portion of one of our courses to be held 9-13 March 1981.

We are able to accept two of your officers for the 12 March defensive driving, and we can accommodate the other two officers on 26 March. We request that your officers arrive at the main gate of our training site at 1700 hours on 11 and 25 March respectively for training on 12 and 26 March. They should identify themselves as Special Agents to participate in defensive driving. The guard on duty will make further arrangements for them. Defensive driving also involves night training activity, and we recommend that your officers plan to remain overnight at our site on 12 and 26 March. They may depart as early as they wish on 13 and 27 March.

We assume you are aware of the location of our training site and need no further instructions from us. We require the following information for officers assigned to the 12 March and the 26 March training:

1. Designate the officers by name for each of the two training sessions. They will be asked to produce identification data on arriving at our training site.

2. Provide the make, color and license plate number of the vehicle used to transport the officers to our training site on 11 and 25 March.
